STAT

Thank you for your letter of 6 July offering your services to this Agency. I do remember writing you last year and enjoyed your book, 

STAT

I am enclosing forms for application for employment and Personal History Statements which it is necessary for all those seeking employment with CIA to complete and return to us before they can be given consideration. If you will return two completed copies of each of these forms to my chief of personnel,  at 2430 N Street NW, Washington 25, D.C., he will give them consideration in the light of available vacancies for which your qualifications would fit you, and will then get in touch with you.

STAT

I do appreciate your writing to me, and hope we will be able to avail ourselves of your services.

Sincerely yours,
